Pregnancy & Infant Loss Support

As part of the national Share Pregnancy and Infant Loss Support, Inc., the mission of NEA Clinic Charitable Foundation's ShareHope is to serve those whose lives are touched by the tragic death of a baby through pregnancy loss, stillbirth or in the first few months of life.

The primary purpose is to provide support toward positive resolution of grief experienced at the time of/or following the death of a baby. This support encompasses emotional, physical, spiritual and social healing, as well as sustaining the family unit.

The secondary purpose of ShareHope is to provide information, education and resources on the needs and rights of bereaved parents and siblings.
